4. If you were exposed to someone in the last 10 days or are not feeling well, please stay at home.

6. After your game(s) are over please exit the gym so the next group of teams can enter the gym and play their games.
7. Please do not enter gyms more than 15 minutes prior to the start of your game.
8. Teams and spectators may have to wait outside until prior games have completed, and teams have exited.
